# 47<sup>TH</sup> ANNUAL GALA & BENEFIT AUCTION

**SUPPORT THE GALA AND AUCTION!** The Studio School is dedicated to excellence and, as with all small not-for-profit schools, charitable giving is a critical and vital foundation to providing the most enriching programs possible. We rely on contributions from our parent body, extended community, and corporations to support all areas of The Studio School, from

curriculum, professional development, and financial aid, to the leading-edge materials for our academic, arts, athletic, and technology programs. Please know that your contributions help us achieve our goals and realize our students' promise. The Studio School is a 501(c)(3) organization and all donations are tax deductible to the extent allowed by law.

## ABOUT THE STUDIO SCHOOL

**THE STUDIO SCHOOL** educates the hearts and minds of children as we nurture the unfolding of their authentic spirit and character. Innovators for 47 years, we incorporate the most current research on the mind with our extensive experience on how children learn. A Studio education empowers students to integrate who they are with what they learn, fostering independent thinkers who achieve high academic success. The Studio School Approach cultivates inquisitive, confident, and self-evaluative students, who thrive and meet the challenges of an always evolving, interconnected world.
